China Desk

Galadari & Associates is the first and only (Emirati) law firm in the United Arab Emirates (the "UAE") to set up a specific practice for handling China-related legal work from within the UAE.

With some 70 percent of the world's manufactured goods being produced in China - and with the confirmed emergence of the PRC as a principal driver of global trade and investment flows - few businesses can ignore China.

Our China Desk is a support service aimed at providing world-class legal advice and service for our clients who have embarked on businesses in Greater China (including Mainland China, Hong Kong Macau and Taiwan) or are otherwise engaging with Chinese entities.

China Desk also works with companies and institutions from China looking for a entry points into the UAE and the GCC and to engage commercially (or otherwise) with like-minded entities within the UAE and the region.

Through our China Desk, we have advised on a variety of matters including but not limited to Corporate and Commercial, Banking and Finance, Arbitration, Litigation, Projects and Construction, Trade Marks and Intellectual Property, and Real Estate on behalf of Chinese entities in the UAE/GCC.

At **Galadari & Associates**, we have sought to distinguish our firm not only through the China Desk initiative but also in the staffing of the China Desk. We are continually tailoring ourselves and practice to the business of the clients and in order to serve our client in the most ethical, professional and cost-effective

manner. We were most grateful to have received the endorsement of the industry in 2010 when our Firm was awarded the Leading Independent Law Firm of the Year for the UAE. Our China Desk is currently staffed by a China qualified lawyer with both China and international experiences (another first in the UAE of any (Emirati) law firm) and overseas qualified lawyers with Chinese background.

In serving our clients and providing a seamless service, we have built strong relationships with a portfolio of reputable local law firms with a solid presence and network in Mainland China, Hong Kong, Macau and Taiwan.

With our China expertise and our strong local relationships, clients can be rest assured that our China Desk is able to provide excellent professional advice on Chinese law (outbound to China) and UAE law (inbound to the UAE) issues pertaining to all matters, nuanced with the practical and legal considerations related to their UAE background.
